UNITED STATES GOVERNMENT, (F.B.I.S.)

London, W.1

Dear Mr. Kaye,

With reference to Mr. Shepherd's letter of 8th August, I am glad to confirm that the B. B. C. is willing to exchange monitored material with the F.B.I.S. on the basis proposed. I should be glad if you would communicate this information to your new Director.

It is mutually understood that if either organization wishes to alter or terminate this arrangement, it should give a minimum of 90 days' notice to the other organization.

With reference to paragraph 2, we have now obtained authority from the British Treasury to cover the cost of transmission of material from Cyprus to London for the current financial year, ending 6th April 1948, and we have good reason to believe that this authority will be extended to 1948/49.

Cable and Wireless Ltd. have confirmed to us their ability to handle this traffic and will await news of the installation of your station at Cyprus before taking further action.

Yours sincerely,

/s/ M. A. FROST
